DECEMBER, 2024

Welcome to the Elmhurst Park District's Monthly Newsletters for Dance!

In November dancers continue to work on flexibility, strengthening/conditioning and technique. Recital class dancers will be measured for their costumes in November. Parents/Guardians - you will be sent a costume measurement form to sign off on to finalize your dancer's costume size.

Impact dancers who are selected for solos, duets and trios will begin practice on November 1st.

Complete the activity on the back and turn in to your Dance Instructor for a prize!

INSTRUCTOR Spotlight

My name is Brittany Lynch and I am on my second year teaching Irish Dance class at EPD. I started Irish Dance when I was 5 years old and competed all the way through high school in the world championships. Growing up in Elmhurst, it was always a dream of mine to give back to my community and introduce this genre of dance to young girls & boys. When I am not teaching my passion of Irish dance, I have two other jobs, including mom of 3 beautiful daughters and Orthopedic PA. Please reach out if you'd like to try an Irish dance class! (Ages 4-6)
